# WISH LIST

We are so appreciative of all the volunteer support and donations over the past weeks to help save The Haven. We apologize if we have not yet responded to your email or phone call – please don't give up on us! Due to the increased visibility of the Shelter, more animals have been surrendered or dumped at The Haven. We need your help now more than ever.

Below is a list of immediate need items and volunteer positions. All items are *Tax-Deductable* and deeply appreciated. Here are the drop-off locations...**AND THANK YOU:**

- At The Haven, seven days a week - be sure to visit the website for directions...GPS & online maps are not always accurate in getting you to The Haven.
- With Haven volunteers at the Petsmart on Skibo Rd in Fayetteville, NC from 11-5pm on any Saturday and 1-5pm on any Sunday.

(To help with the overpopulation of pets in NC and to help reduce the cruelty, neglect and abandonment rates in this state, please consider calling your congressional representative to voice your support for animal welfare.)
